

50TH REUNION for EFA CLASS OF 1967

TIME TO REGISTER! SEE DETAILS BELOW.

September 8 - 10, 2017

There's a lot of excitement about our upcoming 50th class reunion. Our planning committee has finalized all the details and we're ready to begin the registration process.

We have a great weekend planned with a variety of opportunities to mix and mingle with our classmates. As always, spouses and guests are welcome to attend. We hope everyone coming to the reunion will attend all three events, but you can pick and choose what events to attend.

Review the event information below (and on the reverse) and then complete the enclosed registration form and return it with your payment as indicated. You can also register online at efa67.net/register, but you will still have to mail your payment in by the dates shown. Keep in mind that the discounted rates only apply to registration payments postmarked by July 31. Thereafter, you can still register and pay up to September 1, but the discount will no longer apply.

We have decided that this will be the last class reunion that we will organize.

Although we anticipate a great turnout for our 50th, it takes a substantial effort to plan, organize and host these events. Locating classmates to inform them of events is a very difficult process and it won't get any easier in the future due to increasing privacy concerns and an ever-widening technology gap. There has been little interest in any events between the 10-year anniversaries and—given what it's taken to organize this event—our small committee doesn't feel we'll be able to do what would be necessary to manage a 60th reunion. By then, we'll all be approaching our 80's and, realistically, few are likely to attend.

We will, however, continue to maintain our web presences as long as someone is willing to manage them. We also plan to continue our monthly "committee" lunches and anyone is free to join us. We will try to post the dates and locations a few months ahead of time on our web sites and will be glad to add anyone to the monthly "reminder" emails who may want to participate.

We have appreciated your support and will use the balance in our treasury to do a few special things to make this 50th reunion out best yet. The funds will be used defer some of the expenses usually included in registration fees such as some appetizers for our Friday night mixer and music for our Saturday night dinner. We will also provide a "photo booth" at the Saturday night event for attendees to take candid or posed shots at no cost. The provider will also take a group photo that can be ordered for a minimal fee. Any funds remaining in our treasury after the reunion will be donated to the school district as a gift from our class.
