

HOTEL INFORMATION

We have been able to negotiate special rates at four local hotels for those who are coming from out of town for the reunion. Here are the hotels, their rates and how to get them. Please understand that these rooms will only be held until the cut-off dates shown. After that they *might* still honor the reunion rate if they have rooms available, but don't count on it. If you have already booked your room at any of these hotels for a higher rate, contact them and ask for our special rate as noted. If you have questions/problems or find that the room block at your preferred hotel has been filled, please let us know via an email to:

efa1967reunion@gmail.com
